## IMPORTANT - PLEASE READ

Although dental personnel primarily treat the area in and around your mouth, your mouth is a part of your entire body. Health problems that you may have, or medication that you may be taking, could have an important interrelationship with the dentistry you will receive. Thank you for answering the following questions.

medication that you ma	y be taking, could	d have an important into	errelationship with	n the dentistry you will rec	eive. Thank you	for answering the following	g questions.
